STAT

 Accounting for Lost, Damaged, or Destroyed  
Property - Two weeks ago we sent our proposed revision to the  
Audit Staff for its comments. It had asked us to tighten up  
the survey action policy as a result of an incident in OSO  
lately. The Audit Staff approved of the revision, but had two  
very good recommendations, which we will incorporate in our  
revision before sending to OIS/RCD.
